Freshwater Series

Weco's Freshwater Series features 10 tropical aquatic plants common to the aquarium hobbyist. With plants like Red Tiger Lotus, Anacharis, Asian Hairgrass or Japanese Cress, our Freshwater Series offers the widest selection in 6", 9", 12", and 18" sizes.

Freshwater Pro

Our Freshwater Pro Series is comprised of unique, rare and collectible species of aquarium plants that are dense and full bodied. Available in sizes up to 30". All plants 12" and taller feature a weighted airstone base to easily add air to any aquarium.

Marine Pro

Our Marine Pro Series will enhance the realistic quality that you're looking for in your marine aquarium. Available in sizes up to 30". All plants 12" and taller feature a weighted airstone base to easily add air to any aquarium.

Dream Series

The Dream Series provides bright and imaginative plants to liven any bowl, or aquarium. Created for those who like the psychedelic, our Dream Series will add pizzazz. Available in 6", 9", and 12" sizes.
